

# Agenda Item 5.1

## COUNCILLOR'S REQUEST FOR ITEM TO BE INCLUDED ON AN AGENDA

REPORT FOR DECISION: 2.1.18

### Recommendation

(Insert the recommendation to be made, it should be drafted so that it can be included directly in the decision record or minute)

That the Council consider the opportunities for reuse of the 1000 sq.mts floor area Blue Pool building. Reuse could be for the 300 member Bowls Club and added stage and catering facilities for the Assembly Hall together with other Campus objectives.

### Background

(Summarise the background, describe the issues relevant to the decision and describe how they have been assessed).

The existing Blue Pool building is in a reasonable state of repair and has a value of around £1.5 million. Demolition could cost over £100,000 and be a huge waste of a serviceable building. The Campus plans issued in October show the Blue Pool building demolished and replaced with a MUGA. There is no car parking for the Assembly Hall or any opportunity to have added stage or catering facilities.
